

Denon DL-301 Mkii Phono Cartridge DL301mk2

Denon DL-301 Mkii Phono Cartridge DL301MK2

Manufacturer Part Number: DL301MK2

Modeled on the DL-301 high cost-performance cartridge, the DL- 301II employs a metal body for greater structural rigidity as well as a highly rigid lightweight tapered cantilever. In this way, this entire high-performance moving-coil type cartridge, from the body to the vibrating system, has been improved significantly.

Product Highlights

- Updated DL-301
- Wide Frequency Response
- High-Output Moving Coil
- Ideal for DJs & Vinyl Enthusiasts

Package Info

Package Weight 0.25 lb Box Dimensions (LxWxH) 4.6 x 3.1 x 1.9"

General Information:

The DL-301II cartridge is the updated version of the popular DL-301. The body style has been changed and output performance has been improved to provide a more detailed sound. In addition the output level of this standard output moving coil cartridge is slightly higher than most providing a strong response with plenty of punch.

Manufacturer	Denon Electronics (USA), LLC
Manufacturer Part Number	DL-301MK2
Manufacturer Website Address	http://www.usa.denon.com
Brand Name	Denon
Product Model	DL-301 MKII
Product Name	Magnetic Cartridge
Product Type	Magnetic Cartridge
Product UPC	081757507998

Physical Characteristics:

Weight (Approximate)	0.21 oz
